- 4.3 Prospective parents should also consult the School's terms and conditions, which are available on the website.

8 Equality, diversity and disability

- 8.1 All candidates for admission will be treated equally, irrespective of their or their parents' race, sexual orientation, religion or belief, pregnancy or maternity, sex, gender reassignment or any disability. Candidates will also be treated equally in respect of their parents' age, sex or marital or civil partnership status.
- 8.2 The School is inclusive and welcomes applicants with disabilities and special educational needs. The School currently has limited facilities for the disabled but will do all that is reasonable to comply with its legal and moral responsibilities under the Equality Act 2010 in order to accommodate the needs of applicants who have disabilities for which, with reasonable adjustments, the School can cater adequately.
- 8.3 Parents of a child who has any disability or special educational needs should provide the School with full details on registration. The School needs to be aware of any particular requirements which may affect a child's ability to participate in the admissions procedure and to take full advantage of the education provided at the School.
- 8.4 The School shall determine the reasonable adjustments that are required for the applicant based on the information provided, in accordance with the School's obligations under equality legislation. The School will consult with parents about the adjustments which can reasonably be made to ensure that the application procedure is accessible for the child and that the School can cater adequately for the child should an offer of a place be made.
- 8.5 In instances where provision is above the remit of the school's resources and requiring specialist skills, for example Occupational Therapy or Speech and Language, in order for the child to access the full curriculum, parents would be advised that an additional cost may ensue or support should be sought outside school.
- 8.6 The School serves a diverse community, and some pupils have English as an additional language. Pupils who are at an early stage of learning English as an additional language (i.e. those who join the School with little or no English) or who are at a more advanced stage of learning English but still below the level of competence expected within their age group, will require additional support from an EAL specialist. This extra provision is not included in the school fees and will be charged.
- 8.7 Pupils in Years 1 to 6 must achieve a reasonable degree of fluency in English in order to cope with the academic and social demands of the Senior School.

- 9.2 A prospectus is available to parents on request and this contains information about the School, photographs and contact details.

Pupils may be registered for entry at any time after their birth. Additionally, we kindly request copies of your child's passport, birth certificate, and immigration status (if applicable). This follows our Right to Study policy. A copy of this can be obtained from the school on request.
- 9.4 Prospective pupils and their parents are encouraged to attend one of the School's open mornings or are welcome to arrange a tour of the School at another time. Parents should contact the School Office to make an appointment to see the Head, or Nursery Manager as appropriate, in order to discuss their application. No child is admitted until personal contact has been made.
- 9.5 **Entry points:** The following procedures apply at each of the main points of entry (September) and also to candidates for occasional vacancies in any other year group.
