9.1 The School reserves the right to charge for Educational Visits, transport, accommodation, equipment and other associated costs. Such details will be provided to Parents prior to the Educational Visit.

- 9.2 If payment is not received in advance (or as required) or School fees are outstanding, the School reserves the right to exclude pupils from the Educational Visit.
- 9.3 Parents will also be informed of the arrangements for sending a pupil home early. Parents will normally be required to meet the costs of such arrangements should this be required for reasons of health and safety or breach of this policy. The School will not be obliged to refund the cost of the remainder of the Educational Visit.

10 **Consent**

- 10.1 Specific written parental consent is generally not required for routine Educational Visits which are a normal part of the pupil's education at the School and take place during the normal School day.
- 10.2 The School obtains general consent from Parents for all Educational Visits which take place outside of the School day when the pupil enters the School and provides sufficient information to parents about each visit to enable them to opt out of specific visits should they wish to do so and of any extra safety measures required.
- 10.3 If consent is refused by one or both Parents the School reserves the right to refuse to allow the pupil to take part in the Educational Visit.

11 **Risk assessments**

- 11.1 An assessment of the risks involved in the activity and the appropriate steps required to counter them will be carried out for every Educational Visit.
- 11.2 Sample risk assessments can be found at 0.
- 11.3 The School adopts a common-sense and proportionate approach to health and safety on Educational Visits with a focus on real risks, not those which are trivial and / or fanciful.
- 11.4 If there is a generic risk assessment already in place for a specific type of trip or activity, the Group Leader may (where appropriate) review the generic risk assessment and check that it is still suitable.
- 11.5 If there is no generic risk assessment for the activity, or if the visit involves one of the following factors (listed below) the Group Leader must carry out a specific written risk assessment for the Educational Visit:
- 11.5.1 activities requiring a higher level of risk management than is normal during routine activities;
 - 11.5.2 Adventure Activities;
 - 11.5.3 off-site activities that take place totally outside normal School hours including during School holiday period or during weekends;
 - 11.5.4 overnight and residential stays;
 - 11.5.5 visits outside the UK².
- 11.6 If any risk is considered to be unacceptable by the Group Leader and / or Head / Proprietor, the Educational Visit shall not go ahead or shall be terminated if already in progress.

² Recommended but not compulsory.

- 11.7 Regardless of the type of the visit, the Group Leader must be prepared to re-evaluate and / or reassess the risks and mitigate any risks where possible whilst the visit is taking place taking into account of any relevant changes in circumstances or factors such as fatigue or changes in the weather. If the risks become unacceptable the Educational Visit shall be terminated and / or a Contingency Plan if appropriate carried out instead.

12 Insurance

- 12.1 There shall be appropriate insurance cover in place for each Educational Visit.
- 12.2 The Head / EVC and Group Leader should have an awareness of any requirements set by the School's insurers when planning an Educational Visit.
- 12.3 Parents should be informed of the insurance arrangements made by the School in clear terms. They should be told which insurances are arranged by the School and which are arranged and payable by Parents. Parents should be told of any insurances that have not been verified, for example, host parents abroad.
- 12.4 The School cannot accept liability for the failure of insurance for reasons beyond the control of the School or where the School has made reasonable enquiries and exercised reasonable care.

13 Supervision

- 13.1 Supervision of pupils can be close or remote but must always be 24 hours a day.
- 13.2 There must be an adequate ratio of adults to supervise pupils throughout Educational Visits. This ratio should derive from the risk assessment(s) undertaken and the risk factors identified.
- 13.3 Where a Supervisor is also a Parent of a pupil on the Educational Visit, that Parent shall usually count in the ratio for the group as a whole.
- 13.4 Where possible, there should be provision within the ratio for a different Supervisor, in the event of an emergency or incident, to:
- 13.4.1 deal with any emergency or incident;
- 13.4.2 seek emergency and / or medical assistance;
- 13.4.3 supervise the remainder of the party.
- 13.5 For local low risk visits in normal circumstances and subject to any special considerations the following ratios *may* be appropriate:³

Class / Year	Applicable ratio
Nursery and Reception	1:4 (1:3 for under twos)
Years 1-3	1:6
Years 4-6	1:10-15

³ Apart from in EYFS settings there are no mandatory ratios. Schools should risk assess visits in order to set their own ratios.

Years 7 and above	1:15-20
-------------------	---------

13.6 The ratio should become closer the more complex or hazardous the activity. Additional factors to take into account for the risk assessment include:

13.6.1 The nature and location of the visit

13.6.2 The age, maturity and needs of the pupils

13.6.3 Any pupils with SEND or medical needs

13.6.4 Travel arrangements

13.7 For overnight stays, residential visits or visits outside of the UK, at least two of the adults will be Employees. Where possible for mixed sex groups, at least one male and one female Supervisor should be available.

13.8 Where pupils are supervised remotely, the pupils must have the aptitude for, and be appropriately trained, briefed and experienced for the activity involved. Pupils must however be able to contact a Supervisor in the event of an emergency.

13.9 The Group Leader will ensure that each pupil who is not under visual supervision is accounted for. This means the Group Leader will know the identity, whereabouts and expected time and place of return of the pupil.

14 **Child protection**

14.1 The School's safeguarding and child protection policy and procedures will apply at all times during Educational Visits.

14.2 Any incident amounting to any report, allegation or suspicion of abuse or safeguarding concerns which occur whilst on the Educational Visit will be dealt with appropriately at the time and will be reported to the School's Designated Safeguarding Lead (DSL) and / or to the Head in accordance with the safeguarding and child protection policy and procedures. The member of staff will then follow the instructions of the DSL and / or Head.

15 **Adventure Activities and external providers**

15.1 Where the main activity is an Adventure Activity or any activity which is facilitated by an External Provider, the Group Leader will have regard to the appropriate legislation and guidance available at that time.

15.2 Anyone who leads an Adventure Activity will have attained an adequate standard of competence and experience in the activities undertaken. Where possible this will be verified by reference to accepted standards of competence such as national governing bodies or association for the sport or activity concerned. Where no such body can be identified, the School will obtain evidence of the competence of the external provider, including seeking references from other schools, where appropriate. The level of qualification required should be matched to the relevant hazards and risks associated with that activity and specific advice can be obtained from the relevant federations or associations.

15.3 The Group Leader should check if External Providers are required to have a licence to provide Licensed Activities (caving, climbing, trekking and water sports) and, if so, that they hold a current licence at www.aals.org.uk and a record maintained.

- 15.4 For Adventure Activities to be carried out overseas the Group Leader should do all that is reasonable to check if External Providers are required to have a licence to provide Licensed Activities in the country where the activity will take place and if so, will check that they hold any such licence with the relevant equivalent regulatory authority. Group Leaders should retain a record of their due diligence investigations and if the External Provider is not licenced (or certified with the equivalent) this should be factored into the risk assessment.
- 15.5 If the Group Leader assigns the technical instruction of the group to an External Provider he / she should agree with the External Provider their respective roles. Everyone must have a clear understanding of the roles and responsibilities of Supervisors and External Providers.
- 15.6 The Group Leader and School staff retain responsibility for the moral and emotional well-being of pupils and during the activity at all times and should not hesitate to withdraw them from an activity they judge to be unsafe or causing distress.
- 15.7 Pupils' views should always be taken into account. Pupils who are reluctant to undertake a particular activity should never be forced to participate in that activity.
- 15.8 Prior to commencement of any Adventure Activity the Group Leader should be fully satisfied with arrangements for health and safety.
- 15.9 In the event that he / she is not satisfied he / she will consider whether it is appropriate to abort the activity altogether or whether it is safe and / or appropriate to undertake a Contingency Plan.

16 Transport

- 16.1 Pupils will be properly supervised at all times whilst on school-arranged transport.
- 16.2 The Group Leader, as part of the planning and risk assessment of an Educational Visit shall consider the transport requirements, including contingency planning for cancellation, delay or breakdown of the transport arrangements, safety and supervision arrangements.
- 16.3 The Group Leader will ensure that the mode of transport is appropriate for the Educational Visit and that there is adequate insurance in place . Where required, the School will also ensure that the mode of transport is accessible for all participants e.g. wheelchair users.

17 Off-site accommodation and overseas trips

- 17.1 The School will ensure that all off-site accommodation provided for use by pupils on Educational Visits is satisfactory and, where possible, has been assessed by the School before use.
- 17.2 Where this is not possible, for example on tours and expeditions arranged through external tour operators or organisations, the School will obtain appropriate assurances that the accommodation provided is of a satisfactory standard, such as by seeking references from other schools.

18 First aid

- 18.1 The Group Leader will have regard to the School's first aid and administration of medicine policies and procedures and will ensure that there is adequate first aid provision on each Educational Visit.
- 18.2 The minimum requirements for Educational Visits are:

- 18.2.2 at least one appointed person to take charge of first aid arrangements;
- 18.2.3 in Early Years settings at least one person who has a current paediatric first aid certificate must attend the Educational Visit.

- 19.1 All members of the Educational Visit should be aware of the action that they should take in the event of an emergency, particularly where there is a risk of death, personal injury, damage to property or involvement with the police.
 - 19.2 In the event of an emergency all members of the group should:
 - 19.2.1 remain calm;
 - 19.2.2 assess the nature and extent of the emergency; and
 - 19.2.3 take immediate action to safeguard themselves and other members of the group.
 - 19.3 The Group Leader or Supervisor (in the event that the Group Leader is unable to carry out this role) should:
 - 19.3.1 summon emergency assistance and / or medical assistance and / or inform the police, if appropriate;
 - 19.3.2 seek assistance from a First Aider, if appropriate;
 - 19.3.3 if there are casualties ensure that they are accompanied and that the remainder of the group is adequately supervised;
 - 19.3.4 seek assistance from the Head / EVC where appropriate;
 - 19.3.5 follow the procedures below.
 - 19.4 The Group Leader should ensure that the incident is properly recorded and that the Head / EVC is contacted as soon as reasonably practicable.
 - 19.5 The Group Leader / Head will make arrangements to inform parents of any accidents or injuries affecting their child as soon as practicable.
 - 19.6 Consider whether the accident should be reported to any external agencies, including the police or the HSE pursuant to the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (SI 2013/1471) (**RIDDOR**).
 - 19.7 Under no circumstances should anyone make a statement to the press or any admission.
 - 19.8 Where a claim might be brought following theft or other loss, the local police must be informed.
- ## 20 Training
- 20.1 The School ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles.

20.2 The level and frequency of training depends on role of the individual member of staff.

20.3 The School maintains written records of all staff training.

21 **Record keeping**

21.1 All records created in accordance with this policy are managed in accordance with the School's policies that apply to the retention and destruction of records.

21.2 The records created in accordance with this policy may contain personal data. The School has a number of privacy notices which explain how the School will use personal data about pupils and parents. The privacy notices are published on the School's website. <p>Risk assessments should be considered for each of the factors listed in A to E above as a minimum.</p> <p>Some risk assessments may be generic, in which case they should be regularly reviewed and a copy attached to the risk assessment specific to the Visit.</p>	

I believe this risk assessment to be suitable and sufficient. Should the risk be acceptable and the Educational Visit approved, I agree to adopt the control measures / precautions outlined, and will implement additional measures if required.

Factor to be assessed	What are the potential hazards?	Who could be harmed and how?	Existing and planned control measures	Overall risk acceptable (yes / no)

It is important to note the Likelihood (level of probability) that the risk will occur or be realised and the Impact (level of severity) that the risk will have if realised. A risk matrix can be used for this purpose, particularly taking into account the control measures already in place. This template can be used to calculate the level of risk by finding the intersection between the likelihood and the consequences/severity. Once the further actions have been completed, risks can be reduced in each area.

Likelihood	Consequence				
	Insignificant	Minor	Moderate	Major	Severe
Almost Certain	Medium	High	Extreme	Extreme	Extreme
Likely	Medium	Medium	High	Extreme	Extreme
Possible	Low	Medium	Medium	High	Extreme
Unlikely	Low	Low	Medium	Medium	High
Rare	Low	Low	Low	Medium	Medium
