**Place of Work: Rookwood School, Weyhill Road, Andover SP10 3AL**

We are seeking to appoint an enthusiastic, inspiring, committed and well qualified Head of Maths to lead a well-established department and contribute to its excellent results at all levels. This is a Permanent, Full time role starting in September 2026.

As Head of Mathematics you will have overall responsibility for the leadership, management and teaching of Mathematics at Rookwood School, for pupils in Year 5 through to Year 11.

Nestled on a leafy site in Andover, Rookwood School is a happy and thriving learning environment for pupils aged 6 months to 16 years. At the heart of our ethos is strong pastoral care, where every individual is treated with respect and dignity. Our school motto, 'Sapere Aude,' translates to 'dare to know' or 'have the courage to understand', perfectly capturing the essence of our identity. We encourage our pupils to question, explore, and achieve more than they ever thought possible.

Rookwood's Maths department is a hive of specialist mathematicians, with one main aim – to instil an enjoyment of Maths into all Rookwood students. Maths is a popular subject throughout the school. Students follow a varied curriculum. At GCSE pupils follow the Edexcel International GCSE Specification A at either Higher or Foundation. Pupils also enjoy participation in national competitions such as the UKMT Junior and Intermediate Maths challenges and the UKMT Team Maths Challenge at Oxford University.

We are looking for a Head of Maths who can;

- Provide professional leadership, direction and management of the Mathematics curriculum in order to secure high quality teaching, the effective use of resources and improved standards of learning and achievement for all pupils
- Lead on the development of excellent teaching and learning of Mathematics across the whole school
- Line manage teaching and support staff within Mathematics, including involvement in the appraisal process and staff induction, when appropriate
- Monitor teaching, learning and pupil progress within Mathematics in order to promote excellent outcomes for all pupils

- Co-ordinate the Mathematics curriculum across the whole school in order to ensure continuity of learning and an appropriate level of challenge for all learners

In return we will offer you:

- A professional, hardworking and supportive team of staff with the capability and desire to raise student achievement even further
- Enthusiastic students who are willing to learn and are proud of their learning environment
- Opportunities for further professional development
- Employee assistance provision
- Access to reduced educational fees for qualifying children
- A caring and supportive working environment within a vibrant school community
