Honoured Guest - Steve Vear MBE JP

Steve Vear, a lifelong Andover resident, has built a successful leadership career and dedicated himself to public service, overcoming the physical challenges of cerebral palsy.

Steve spent 17 years in the IT sector followed by seven years as Head of

Production and Logistics at the examination board AQA.

Inspired by court volunteering, he studied law during the COVID-19 lockdowns, completing the Bar Course and being called to the Bar by the Inner Temple in November 2025. This autumn, he joins the Crown Prosecution Service as a pupil barrister.

His extensive voluntary work includes serving as a Magistrate, Samaritan, Special Needs School Governor, and Chairman of the Southern Premier Cricket League. He is also a Trustee and Non-Executive Director for the Hampshire & Isle of Wight Air Ambulance.

In recognition of his community impact, Steve was awarded an MBE in 2018, receiving his medal at Buckingham Palace in May 2019.
